**AKRON SINGER****Pleased Crowds at Electric Park.****Interesting Budget of News From Ravenna.**

(Special Correspondence.)

Ravenna, Aug. 22.—The appearance of Mrs. Grace Bartholomew Jones at Electric park theatre this week is filling the house at each performance, afternoon and evening.

Ravenna people familiar with her vocal powers are not surprised at the recognition given her by the authorities of the musical stage, nor at the high development of her voice, which has responded to its requirements with fine obedience. She sings easily, powerfully and pleasantly. Mrs. Jones, now of Akron, was until recently a resident of Ravenna, and her rapid ascendancy is gratifying to the many whom she has delighted with the refinements of her song.

Wm. Grinnell, County Treasurer, J. H. Ferry and W. D. Turner attended the 33rd annual reunion of the 104th O.V.I., at Massillon, last week. Gen. J. W. Riley, of Wellsville, was elected president of the organization for the ensuing year. The next reunion will be held at Wellsville, on the second Wednesday and Thursday of August, 1903. The reunion at Massillon commemorated the mustering in of the regiment at Camp Massillon, just 40 years ago, in August, 1862. The muster roll contained nearly 1,100 names, men and officers, of whom 123 survivors answered to their names this year. Probably more than one-half of the living veterans of the regiment are at present at Massillon.

George W. Gamble, proprietor of the Ravenna Roller Mills, died at his home in this town Wednesday morning. He came to Ravenna nine years ago from Salem. Funeral Friday at 2 p. m.

**WARLIKE****Activity In Several Provinces.****Natives Cut Off a Constable's Legs.****An Ex-Insurgent Is Doing Good Missionary Work.**

Washington, Aug. 23.—The Manila mail brings intelligence of the activity of the insurgents in the mountainous districts of Tobacco, Malanno, and Tivi, in Albay province. The rebels number 300 and the native constabulary is out daily. At Bantayan, six natives were killed, and three Chinese carried off. A sick constable at Malanno was captured and his arms and legs were cut off.

The American soldiers report that they are unable to get any aid from the natives, not even guides being furnished.

In the vicinity of Malolos, the chief amusement of the Ladronees seems to be to annoy the land tax deputy. In the town of Pullian, the deputy was fired on half a dozen different times. At last accounts a vital spot had not been reached.

Quevarra, the ex-insurgent, is reported to be doing splendid work for the civil authorities in Samar. Trouble was feared when military rule was discontinued, for a band of Diosdado revisited their old rendezvous at Calbiga. They were preparing to move against the civil authorities when Quevarra sent them word to disband, unless they wanted the "crows to feed on their carcasses." They obeyed.

Officials of the War department have read with some amusement an editorial in the Manila American, commenting upon the "warlike conditions prevailing in the United States." The paper says: "It is time to call a halt.—The civil commission or the strenuous President should get busy. The honorable Senator from Texas has taken the honorable Senator from Indiana by the throat and choked him. The exact details are lacking. Having been so long in this blessed and peaceful, and well ruled part of the U. S., we don't know what has happened. Steps should be taken to stop these disgraceful insurrections in the U. S. Senate. The District of Columbia should return to military rule."

**His Sight Threatened.**

"While picnicking last month my 11 year-old boy was poisoned by some weed or plant," says W. H. Dibble, of Sioux City, Ia. "He rubbed the poison of his hands into his eyes, and for awhile we were afraid he would lose his sight. Finally a neighbor recommended DeWitt's Witch Hazel Salve. The first application helped him, and in a few days he was as well as ever." For skin diseases, cuts, burns, scalds, wounds, insect bites, DeWitt's Witch Hazel Salve is sure cure. Relieves piles at once. Beware of counterfeits.

Omaha, Neb., Aug. 22.—When Will N. Hellen and Edith G. They did not seize time by the forelock and wed while opportunity was there. On the contrary, they separated, and County Judge Bowen's chance to sell them a

J. A. SIMPSON.  
(Sec'y Bd of Education, San Francisco.)

Hon. J. A. Simpson, Secretary of the Board of Education of San Francisco, Cal., writes:

"I have found Peruna an ideal tonic. Some months ago I suffered with neurasthenia (systemic catarrh), caused by too close application to office work. My system seemed worn out and I felt far from well. I found Peruna benefited me very much. It built up the entire system and made me feel like a new man. I believe it is well worthy the high praise bestowed upon it."

J. A. SIMPSON.

Systemic catarrh always gives fair warning of its approach, and can be easily warded off, by the proper treatment. Floating brown specks before the eyes, mental confusion, fits of nervous headache, sleeplessness, flashes of heat, chilly sensations, palpitation, irritability, despondency; any of these symptoms or all of them should be promptly met by the use of Peruna.

Congressman E. V. Brookshire, from Indiana, in a recent letter from Washington, D. C., says:

"From what my friends say, Peruna is a good tonic and a safe catarrh cure."—E. V. Brookshire.

marriage license was gone forever.

Hellen went to Oklahoma to grow up with the country, and Miss Shirey moved to Denver. That was several years ago, and the pair became lost to each other. There was no correspondence, but it seems that each cherished a fond recollection of the days that had been. There is, however, little ground to suppose that any one would have known anything about it had a certain train from the west got in on time Tuesday afternoon.

Miss Shirey was a passenger en route from Denver to Cincinnati, where she is going to visit relatives, and an unexpected wait in Omaha for three hours caused her to take a stroll up town. Hellen now makes his headquarters here, being employed as a travelling man for the Rhodes Carman Buggy Co., of Marshalltown. They met on Farnum st.

**To My Friends.**

It is with joy that I tell what Kodol did for me. I was troubled with my stomach for several months. Upon being advised to use Kodol, I did so, and words cannot tell the good it has done for me. A neighbor had dyspepsia so that he had tried almost everything. I told him to use Kodol. Words of gratitude have come to me from him because I recommended it.—Geo. W. Fry, Viola, Iowa. Health and strength, of mind and body, depend on the stomach, and normal activity of the digestive organs. Kodol, the great reconstructive tonic, cures all stomach and bowel troubles, indigestion, dyspepsia. Kodol digests any good food you eat. Take a dose after meals.

**FEWER Members Would Make Work Easier.****Mr. James Talks About School Board Situation.**

"The School Board is hindered by the very things which are provided for its safety," said Mr. D. A. James before the meeting, Thursday night, as he discussed the position of that body in the present situation regarding a change of the writing system. "This technical predicament in which the Board finds itself is the result of that fact alone. There are too many members. If there were seven or eight, for instance, we could gather around a table, discuss questions, exchange opinions and offer suggestions, and come to a decision on almost any question without a vote. There is no real trouble about the change which we are now taking up, and the members of the Board will act for the best."

"It's simply the slow technical methods of doing business which we are obliged to follow in order to give each member consideration and an impartial show that causes such difficulties as this once in a while."

**Our Way of Lunching**

Is not by any means a good one. You may take "free" or "quick" lunch as ninety out of every hundred busy men of sedentary habits are compelled to do, and you are on the road to having the functions of your digestive organs seriously impaired. Now, then, look for some kind of assistance. It is offered by the "St. Bernard Vegetable Pills," without question the very best medicine for all stomach and liver troubles. Purely vegetable. Anderson, Ind., Aug. 23.—Weames Heagy, treasurer of Madison county,

when the county lost nearly \$20,000 by the failure of the Stillwell bank here yesterday afternoon, paid to Auditor Crim \$1,200. With \$300 more, which Heagy said he would pay before the winter, he will have restored to the county all it lost through the bank failure. Heagy is 20 years ago and will also lift the last mortgage he gave on his farm to protect his bondsmen. For 20 years Heagy has worked incessantly on his farm, saving every dollar possible and turning it over to Madison county.

**PRIEST HAS BECOME SOCIALIST****Rev. Father Haggerty Has Left the Church For This.**

Cincinnati, Aug. 23.—Word has been received here that Rev. Thomas Haggerty, a Catholic priest, well known in Cincinnati, who has been affiliated with the diocese of Dallas, Texas, has sent his resignation as a priest to Bishop Dunne, of Dallas, and has also withdrawn from the membership of the Catholic church. "Some years ago Father Haggerty took up the study of Socialism, and soon became one of its most ardent apostles. The reason assigned for his withdrawal from the ministry and the communion of the Catholic church, Father Haggerty states, is the church's stand against Socialism, and the incompatibility of her teachings with the doctrines of his economic creed. He will devote his entire energies to the propagation of Socialism."

Thurmond, W. Va., Aug. 22.—The situation in the coal fields along the Chesapeake & Ohio is more encouraging than at any time since the strike began. Probably 200 new men went to work in this vicinity yesterday, and double this number were here today to enter the Loup Creek mines. Twenty-five miners from the east arrived last evening, at the Red Ash mines, and are at work without molestation. Ten mines have resumed with a partial force since Monday. This makes 22 mines now in operation in the Kanawha and New River fields. One hundred and thirty cars of coal were loaded in these two fields yesterday, and there will be nearly 200 loaded today. The output before the strike

**Fleets Are Still Apart But the Greatest Care Is Taken to Detect the Approach of the "Hostile" Squadron and a "Battle" Is Soon Likely to Occur.**

The great naval war game began August 20, when the North Atlantic Squadron steamed a hundred miles out to sea. There the invading fleet, under Rear-Admiral Pillsbury, was detached. The technical enemy was given ample time to get away. He must then be found again. The North Atlantic Squadron will cruise in the meantime between New York and Fort Adams, and has probably half a dozen scouts scouring the ocean. If the enemy is sighted, Rear-Admiral Higginson will take the offensive and proceed against Pillsbury, who, according to the rule of the game, must make his landing within a specified time, the limit to be about August 27. The North Atlantic Squadron on August 20 consisted of the following vessels:

Battlehips—Kearsarge, (flagship), Alabama, Massachusetts, Indiana, Cruisers—Brooklyn, Olympia, San Francisco, Montgomery, Gunboats—Scorpion, Gloucester, Hilo, Nina, Leyden, The Cincinnati and the Marletta and Machias may be added before the game is over. Torpedo boats Bayley, Biddle, Barney, Thornton, Steadman, Hubbs, Pequot, and others.
